

REDCap

Connexion au serveur de DEV depuis l'extérieur de l'ICM

1. Allez à l'adresse <https://redcap-dev.icm-institute.org:2022/> . Si vous arrivez sur le REDCap du CIC merci de vérifier la présence du :2022 dans votre url.

The screenshot shows the REDCap login interface. At the top left is the REDCap logo. Below it is a 'Log In' section. In the center is the Institut du Cerveau logo with the tagline 'Chercher. Trouver. Guérir. Pour vous & avec vous'. Below the logo is a grey box titled 'Development & Training Server'. Under this box, it states 'This server is only for tests and training'. There is a link for 'Demande d'accès/ Request Access: Cliquez ici / Click here'. A note says 'Please log in with your user name and password. If you are having trouble logging in, please contact [REDCap Administrator](#).' Below this are two input fields: 'Username:' with the value 'mathias.antunes' and 'Password:' with masked characters. There is a 'Log In' button and a link for 'Forgot your password?'. At the bottom left, it says 'Welcome to REDCap!' and provides a brief description of REDCap. At the bottom right, there is a box titled 'REDCap Features' with the text 'Build online surveys and databases quickly'.

5. Créez un nouveau projet en allant dans “+ New project” et vérifiez l’url de redirection.

The screenshot shows the REDCap web interface. The top navigation bar includes links for Home, My Projects, New Project (highlighted), Help & FAQ, Training Videos, Send-It, Messenger, and Control Center. The user is logged in as mathias.antunes. The main content area displays the 'Create a new REDCap Project' form.

+ Create a new REDCap Project

You may begin the creation of a new REDCap project on your own by completing the form below and clicking the Create Project button at the bottom.

Project title:
Title to be displayed on project webpage

Purpose of this project:
How will it be used?

Assign project to a Project Folder? ☐

Project notes (optional):
Comments describing the project's use or purpose that are displayed on the My Projects page.

Start project from scratch or begin with a template?

- ☒ Create an empty project (blank slate)
- ☐ Upload a REDCap project XML file (CDISC ODM format) [?](#)
- ☐ Use a template (choose one below)

★ Choose a project template (comes pre-filled with fields, forms/surveys, and other settings) [+ Add templates \(Administrators only\)](#)

select template	Template title (sorted by title)	Template description
<input type="radio"/>	Classic Database	Contains six data entry forms, including forms for demography and baseline data, three monthly data forms, and concludes with a completion data form.
<input type="radio"/>	Human Cancer Tissue Biobank	Contains five data entry forms for collecting and tracking information for cancer tissue.
<input type="radio"/>	Longitudinal Database (1 arm)	Contains nine data entry forms (beginning with a demography form) for collecting data longitudinally over eight different events.
<input type="radio"/>	Longitudinal Database (2 arms)	Contains nine data entry forms (beginning with a demography form) for collecting data on two different arms (Drug A and Drug B) with each arm containing eight different events.

Create Project **Cancel**

6. Si en cliquant sur "Create project vous avez une erreur, veuillez ajouter :2022 après le .org dans l'url courant.

https://redcap-dev.icm-institute.org/redcap_v9.6.1/ProjectSetup/index.php?pid=182&msg=newproject&record_cache_complete=1

No input file specified.

Project status: Development Completed steps 0 of 7

Main project settings

- Enable ☒ Use surveys in this project? [?]
- Enable ☒ Use longitudinal data collection with defined events? [?]
- Modify project title, purpose, etc.

Design your data collection instruments

Add or edit fields on your data collection instruments. This may be done by either using the Online Designer (online method) or by uploading a Data Dictionary (offline method). Quick links: [Download PDF of all instruments](#) OR [Download the current Data Dictionary](#)

Go to [Online Designer](#) or [Data Dictionary](#) Explore the [REDCap Shared Library](#)

Have you checked the [Check For Identifiers](#) page to ensure all identifier fields have been tagged?

Learn how to use [Smart Variables](#) [Piping](#) [Action Tags](#)

Enable optional modules and customizations

- Optional ☒ Repeatability Instruments [?]
- Disable ☒ Auto-numbering for records [?]
- Enable ☒ Scheduling module (longitudinal only) [?]
- Enable ☒ Randomization module [?]
- Enable ☒ Designate an email field for sending survey invitations [?]
- Additional customizations

Si certaines redirections renvoient vers la page “No input file selected”, vérifiez la présence du :2022 dans l’url.
